WASTEEFY COOKIE POLICY

Last Updated: 24/04/2026

What are cookies?
Cookies are small text files stored on your device when you access the Wasteefy platform. They help the platform remember your session and improve performance.

How Wasteefy uses cookies
We use cookies to keep you securely logged in, remember your preferences and settings, enable core platform features, monitor platform performance and usage trends, and improve reliability and user experience.

Types of cookies we use

- Essential cookies

Required for the platform to function properly - including login sessions, security, and payment flows. These are enabled by default and cannot be disabled without affecting platform functionality.

- Functional cookies

These remember your preferences and improve usability across sessions.

- Analytics cookies

These help us understand how users interact with the platform so we can improve it. Data collected is aggregated and does not directly identify you.

Wasteefy does not use cookies to sell personal data or track users across unrelated websites.

Managing cookies
You can manage or disable non-essential cookies through your browser settings. Please note that disabling essential cookies may affect how the platform functions.

User Consent Language
General Data Consent (Operator Signup / First Use)
By creating an account or using Wasteefy, you consent to the collection and processing of your personal data for waste billing, payment processing, communication, and platform operations, as described in our Privacy Policy.

Payment Consent
By processing payments on Wasteefy, you authorise the processing of transactions through licensed third-party payment providers and acknowledge that Wasteefy does not store card or bank details.

Communication Consent
You agree to receive service-related notifications such as payment confirmations, reminders, and account updates via SMS, email, or in-app notifications. You may opt out of non-essential communications at any time.

Customer Login Consent
Customers access the Wasteefy platform through an account created by their PSP Operator. By logging in, you consent to the use of essential cookies necessary for your session and platform access. Analytics and functional cookies are only activated with your consent, which you may manage through your browser settings at any time.

Operator Data Responsibility
By using Wasteefy to onboard and manage customers, you confirm that you have lawful authority to register those customers on the platform and that all customer data is handled in accordance with applicable data protection laws including the NDPR.

Cookie Consent
When you first access the Wasteefy platform, you will be asked to accept or manage your cookie preferences. Essential cookies are necessary for the platform to function and are enabled by default. Functional and analytics cookies are only activated with your consent. You may withdraw or update your cookie preferences at any time through your account settings or browser settings.

Updates
This Cookie Policy may be updated from time to time to reflect changes in technology or regulation. Where changes are material, users will be notified via email or SMS in addition to updates posted on the platform.
